Dear Board of Hops for Humanity,

The DuPage Senior Citizens Council (DSCC) would like to thank Hops for Humanity for your \$10,000 donation to our programs serving local elderly residents, including "Meals on Wheels," Well Being Checks and DSCC's Home Maintenance Program.

Your generosity will make a significant impact on the lives of seniors who are often hit hardest during such challenging economic times and rely on others for help. DSCC is a safety net for many aging individuals who might not otherwise eat a hot meal each day or have someone to check in on them.

We appreciate your help in promoting our mission of enabling elderly persons to live their lives in dignity with as much independence as possible. DSCC is fortunate to have such friends in the community!

Sincerely,

Marilyn Krolak
Executive Director
